

VICTORIA MOTORCYCLE CLUB REG SHANKS BEGINNER TRIAL RESULTS MARCH 5, 2016

The Reg Shanks Beginner Trial on March 5th began with a sunny day and saw 9 riders tackle either Beginner "A" or "B" loops. The "A" loop looked closer to junior level sections and definitely challenged the kids. Many riders have now perfected the "paddle" to avoid the 5s! A challenging, fun day had by all. Special thanks to Ian Cottier and Brandon Volk for help setting up sections and assisting these enthusiastic young riders.
