VICTORIA MOTORCYCLE CLUB
RICK WELLS TRIAL RESULTS – OCTOBER 4, 2015

The annual Rick Wells Trial was held on Sunday, October 4th at the VMC club property with 37 riders entered. There were also four younsters on small wheeled bikes praciticing their skills in real sections laid out by the parents. Sunny skies prevailed and most were riding without jackets. Billed as a combined WTC (World Trials Canada) and VMC event, it was decided that the WTC sanction was unnecessary as the VMC has it's own insurance. The combination was then the fourth trial in a five trial series for the VMC and the final trial in the Outlaw Trials series of five events. There were seven riders who made the trek from the mainland. With Dave Fair as the Clerk of the Course, ten sections were laid out by his tireless committee of Liam Donaldson, Riley Ferguson, and Brandon Volk with various degrees of difficulty for the different classes. A big roound of thanks to these three young riders who spent a lot of time laying the sections out. Member Rick Kool and Darren Reeves handled the sign up and score keeping — thanks to them. The action got underway after the rider's meeting.
