

VICTORIA MOTORCYCLE CLUB JOE BROWN MAJOR TRIAL RESULTS APRIL 13/14, 2013

A very good turnout of riders on both days, with 14 Vintage riders on Day 1 and 49 on Day 2, for a total of 63 over the weekend which was amazing! The vintage riders were treated with sunny dry weather after an early morning downpour. Day 2 entrants were not so lucky, when after a great start to the day, a freak hailstorm rolled through the VMC property to create havoc and completely change all the sections for the remainder of the day!

Notable rides over the weekend were, longtime member Gary Nordstrom who rode vintage B class to a very nice 4th place. He also can boast about being the oldest rider, on one of the oldest bikes, and the only one in attendance who actually bought his bike from Joe Brown!

On Day 2, Thomas Cordner won the Expert class, but also put in an amazing ride on his last loop with a score of only 2 pts. Almost superhuman considering the disasterous conditons. As well, Matt Fracy celebrated his 17th birthday by continuing to improve and take yet another podium with a fine 3rd place finish.

Many thanks to everyone who attended the event, especially all of the out of town riders who came from as far as Edmonton AB, the Okanagan region of BC and the lower mainland. A big thank you to the committee of Matt, Micaela, and Lorraine and Steve Fracy.
