

VICTORIA MOTORCYCLE CLUB JOE BROWN MAJOR TRIAL RESULTS – SEPT. 25, 2016

It was an abnormally poor turnout for this annual event held at the ISTC property near Shawnigan Lake especially since we have not had a trials since March.

Only twenty riders were in attendance for the main trial with three beginners learning the skills of trials riding. No points were kept for this class but participation awards were made. There were no Juniors riding. The ten sections were ridden three times each in all classes and all rode a fun but challenging trial. "FUN" was the order of the day with the Beginners starting early in the afternoon.

This was a combined VMC and CMA event but only riders who were competing for CMA points needed to be CMA members.

A big thank you to Ian Cottier for setting up an excellent Beginner course. Also to the committee, Brandon Volk, Kevin Couves, Micaela and Lorraine Fracy.
