Late time is added to your total score only, not your loop scores.

Thanks to Eagle Press(Cam Whiffing) for the organizer package of markers, end cards, checkers cards etc. etc.
It made it a lot easier doing, what we have to do.

Thanks to Dave Thomas for acquiring and organizing all the checkers, their lunches, and results.

Thanks to the checkers that spent a sunny day in a quarry for us riders.

Thanks to Theresa for doing sign in, and Andrew for setting up the sections and picking some of the lines.

Thank you from: Gerald Young and the
